

About Me

Nieves Arranz is a highly skilled makeup and hairstyling professional with a passion for her craft. Starting at a young age, she sought out opportunities to learn and train, eventually studying at prestigious schools in Spain and England and working with renowned brands. She furthered her education in the United States, mastering English and expanding her expertise in hairstyling. Over her extensive career spanning two decades, she has worked on numerous film productions and with notable actors and directors, earning a reputation for professionalism and excellence. Nieves is known for her empathy, communication skills, and sense of responsibility, establishing her as a leading makeup artist in the industry.
